

Mr. Shue Chung Chan

Executive Director and Head of Group HR

Shue Chung Chan is Executive Director (since 2001) and Head of Group HR, Thai Union Group, effective April 1, 2016.

As Head of Group HR, Chung provides leadership and strategic direction for HR functions across the Group.

He is also an Executive Director of Thai Union Group, leading the Thai Union Factory (TUF) operation by setting strategic direction and providing supervision.

Chung reports directly to Group CEO Thiraphong Chansiri.

He joined Thai Union in 1996, initially in charge of the company's manufacturing and operations, which included functions such as Logistics and Planning, Engineering, Production, and Quality Control.

Chung earned his Bachelor's Degree in Construction Engineering Management from Oregon State University. He received his Master's Degree in Business Administrations from Bangkok University and achieved his Directors Certification Program from the Thai Institute of Directors Association in 2002.
